

# Illinois 2010 Child Passenger Safety Update Courses

- Over 20 courses statewide
- Get ALL (6) CEUs in one day
- Space is limited at some places, so sign up early!

Sample topics to be discussed:

- Pregnancy and Motor Vehicle Crashes
- Using CPS Resources: LATCH Manual, CRMI and Student Manuals
- New CRS Technology with Hands-On Skills Enhancement
- Recalls, Registration, Notification and Repair

## Steps to National Child Passenger Safety (CPS) Recertification

- ✓ **Step 1** Install 5 selected child safety seats and have an Instructor sign off on them.
- ✓ **Step 2** Conduct at least 4 hours of CPS community education to groups of uncertified people or participate in at least one 2 hour car seat check with at least one other technician and keep the documentation.
- ✓ **Step 3** Obtain 6 Continuing Education Units (CEUs).\*
- ✓ **Step 4** Register for recertification at [www.safekids.org/certification](http://www.safekids.org/certification), enter data and pay \$50.00 recertification fee before your expiration date.\*\*

*\*The Illinois CPS Update Courses will provide you ALL 6 Continuing Education Units needed for recertification; however, your recertification will not be complete unless you log-on to [www.safekids.org/certification](http://www.safekids.org/certification) and complete all of the above steps.*

*\*\*Note: The \$50.00 national recertification fee is separate from the Illinois CPS Course registration fee.*

## Things to Remember

- The recertification process must be entered ENTIRELY on-line at [www.safekids.org/certification](http://www.safekids.org/certification). You will need your username and password to navigate the Safe Kids website. If you do not know your username and password, please call 1-877-366-8154 to obtain it.
- Your certification is for 2 years, so it would be good practice to enter your data as soon as you complete activities. For example – if you attend a CPS update course and get CEUs, log those CEUs onto the Safe Kids website ASAP, so you don't forget, and you can keep better track of what you still need to do.
- There is no certification grace period. If you do not complete all of the steps to recertify by your expiration date, your certification will expire.
- We are here to help! Contact your Regional Coordinator if you have questions about recertification. Their contact information can be found at [www.buckleupillinois.org](http://www.buckleupillinois.org).

# Illinois 2010 CPS Update Courses

# Illinois 2010 CPS Update Courses

The 2010 IL CPS Update Course agenda was developed with State Farm, National Safe Kids and leading child safety seat manufacturers. This is one course you do not want to miss!

All courses will provide all (6) CEUs needed for recertification. If you already have enough CEUs to recertify, we still encourage you to attend a 2010 IL CPS Update Course. We will share the latest information on vehicle safety technology, advances in child safety seats, utilizing CPS resources and much more. At most locations, there will be an opportunity for technicians to be signed off on the five seats needed for recertification.

It is time for an Update! We will see you soon! All courses will run from 9:30 am – 5:00 pm.
