Illinois law requires that all children under the age of 8 be properly restrained in an appropriate child safety seat or booster seat. All children need to be restrained correctly whenever they ride in a motor vehicle- **EVERY TRIP, EVERY TIME.**

Take Each Step To The Limit

- Step 1 Rear-face to age 2.
- Step 2 Forward-face to the limit of the harness.
- Step 3 Boost your BIG KID until the safety belt fits them.
- Step 4 Safety belts for everyone, every trip, every time.
